

## SEPAC May 5, 2014 Minutes

- Reviewed the event, overall a good success. Some concerns around format and if everyone was comfortable sharing. next time rather than going person to person, maybe people speak up for themselves.
- Other feedback included wondering if there could be summer events or support groups. Will need to address that next year
- Completed survey questions as a follow up to the event. Will send to all that signed the sheet and Allison will post on her site as well.
- Reviewed the process for self nominations and set a timeline.
- Self nominations will go out on Friday May 9th and be returned by May 30th.
- Will have voting early June.
- Discussed topics for first agenda and meeting dates for next year
- Meeting closed at 7:45 pm
